

# Council Voids Suspension Of J. A. Tawney

## Overrules Action Of Highway Committee In Dismissing Street Commissioner; Sterner Resigns From Council And Kendlehart Quits Post On Committee

By a vote of five to three, members of the borough council at a special meeting Tuesday evening declared "null and void" last month's action of the highway committee "suspending" J. A. Tawney as street commissioner and reinstated Mr. Tawney with the provision that he is to work "under the supervision of a person designated by council."

The resolution on the Tawney case, presented by Councilman Ray M. Hoffman, reviewed the case and held that "a majority of the members of the highway committee had misconstrued discussions and instructions" in the matter and had "taken it upon themselves to ask for the resignation" of Mr. Tawney. The committee was without authority to take such action, council held.

### Two Members Resign

The immediate result of council's action was the presentation by two councilmen of their resignations—that of Joseph D. Kendlehart as chairman and member of the highway committee, and that of Charles W. Sterner, Jr., as chairman of the sewer committee, a member of the highway committee and also as a member of council.

President H. M. Oyer urged both men to reconsider their action and refused to take action Tuesday evening. Both councilmen declared they will not reconsider.

Council's action reinstating Mr. Tawney was taken soon after Councilman Sterner presented to council a letter signed by eight highway department employees declaring they would "quit" if Mr. Tawney was re-hired.

### Object to Tawney

"We will work under anyone but J. A. Tawney," the letter said. It bore the signatures of Merle M. Guiden, Clarence Strausbaugh, Guy L. Bolen, Nelson Shank, H. A. Turner, Ben Carter, Edgar Overholzer and Raymond Cullison.

Mr. Sterner said in response to questions that the letter was brought to him by Bolen and declared he had not requested such action.

As council was about to adjourn soon after final passage of the resolution, Borough Engineer LeRoy H. Winebrenner asked for instructions on how to proceed with work on the West High street bridge and grade crossing construction today if the borough workmen refused to work under Tawney.

Council placed Mr. Winebrenner over Mr. Tawney as supervisor and that action stirred comments from several members who asked why Winebrenner, who is paid \$125 an hour, should be placed over Mr. Tawney who gets \$110 per month. The question of Mr. Tawney's pay during the suspension period was brought up but was passed over without action.

### Agree To Work

This morning when the borough employees learned Tawney was back on the job, they refused to go to work. President Oyer said today, "I told them the borough has been good to them and has recently given them a raise. I told them, too, that if they would not work we would have to get other help and I warned them that if they followed that course none of them would ever work for the borough again as long as I have anything to say about it."

The men went to work after being assured they are working under Winebrenner's supervision and not that of Mr. Tawney.

The 90-minute session, while marked by numerous charges and counter-charges against various borough employees, won praise from Burgess Fred G. Pfeffer for the "cool consideration" given the matter by the borough fathers. At the outset President Oyer had requested members to keep the session "peaceful."

### Open Discussion

With all members present President Oyer stated the purpose of the meeting and asked for open discussion calling upon each councilman individually in the order in which they were seated around the big table in the council chamber.

Councilman Wilbur J. Stallsmith said he had secured most of his information about the case from the newspaper but as he recalled the council session at which the Tawney case was referred to the highway committee in May, the committee was directed to "straighten out the difficulties" between Tawney and Bolen. Bolen had sent word to council he would not work any longer under Tawney. The councilman said he felt Mr. Tawney had a right to come before council "to have his say."

Next to speak was Councilman

## Sir Owen Dixons Leave Graeffenburg

Sir Owen Dixon, Australian Minister to the United States, Lady Dixon and their four children, who have been spending a holiday at Graeffenburg Inn, Lincoln Highway West, returned to the Australian legation at Washington today.

Lady Dixon and the Dixon children have been at the inn for two months while Sir Owen Dixon attended important conferences in Australia. He returned to the states last week-end and has been spending a few days at the inn with his family before returning to his post in Washington.

## PRICE CONTROL PANELS NAME OFFICERS HERE

Organization of price control panels for the county's two War Price and rationing boards was effected Tuesday evening at a joint session of the panels held at the Adams County office.

A. J. Carbaugh, Arendtsville, was named chairman of the Gettysburg panel while Robert P. Smith, McSherrytown, was selected to head the panel for the New Oxford board.

Charles Barrett, of the district office of OPA, Harrisburg, and a Mr. Campbell, of the Harrisburg office, instructed the panel members in their duties which will include general supervision of price regulations in retail stores and the investigation of complaints received of merchants charging higher than ceiling prices.

Among those from board 261.1, Gettysburg, present were George M. Coshun, Gettysburg; Miss Alice Black, Flora Dale; Mrs. Hope Morgan, Cashtown, and Mr. Carbaugh, who comprise the panel and Mrs. Ralph Z. Oyer, consumers' representative to the local board.

### Weekly Meetings

G. Ed. Taughinbaugh, Hunters-town; the Rev. Richard Shaffer, East Berlin, Mr. Smith, and Mrs. Eileen Byers Anderson, Littlestown, comprise the membership of the

## OFFICERS ARE NAMED BY PCBL

Mrs. Lucy Smiley Heimenz, daughter of Mr. and Mrs. Nicholas Redding, West High street, was re-elected grand secretary of the Pennsylvania Catholic Beneficial league at the forty-third annual convention of the league Tuesday at Lancaster.

Miss Mary Ramer, a member of the Queen of Peace Council of the PCBL here, was named as grand guard. All other officers of the PCBL, headed by Frank Kasel, Columbia, as president, were re-elected.

Among those from the Queen of Peace Council who attended were Miss Ramer, Mrs. C. E. Swisher, Mrs. G. Noel Flynn, Mrs. M. J. Flynn, Mrs. Wilbur J. Stallsmith and Mrs. Ralph Menchey. No date was set for next year's convention with the 80 delegates present voting to determine what facilities will be available next summer if the war continues. The convention was held here several years ago.

## Resigns As Club Vice President

The resignation of Miss Anna Mumper as first vice president of the Soroptimist club was accepted Tuesday evening at the June meeting of the club held at the home of Mrs. Clyde Daley.

Miss Mumper, who has resigned her position as supervisor of art in the local schools, will enter the Philadelphia School of Occupational Therapy in July.

A plea was made for children's books for distribution by the local Child Welfare services. The books may be handed in at the office of Miss Mary Ramer, the club's civic chairman, it was stated. Mrs. Clyde D. Berger, chairman of the War Service committee, submitted her committee appointments for the USO formal dance to be held June 26 with the club as sponsor.

Date and place of the June dinner meeting will be decided later, it was announced. The next business meeting will be held September 14 at the home of Mrs. David Blocher. Miss Julia Peters won the monthly war stamp drawing. Mrs. Blocher presided at the session.

### BIRTHDAY ANNIVERSARY

Miss Sara Jane Coshey, daughter of Captain and Mrs. John R. Coshey, West Lincoln avenue, today observed her seventeenth birthday anniversary. She recently graduated from the high school in Washington county and is now a student at Gettysburg college.

## BOARD ELECTS MISS OESCHGER ART SUPERVISOR

Miss Eleanor P. Oeschger, 129 West Lincoln avenue, for the last three years art instructor in the York Springs, East Berlin, Arendtsville and Fairfield high schools, was named as supervisor of art for the Gettysburg schools to fill the vacancy caused by the resignation of Miss Anna E. Mumper at Tuesday evening's session of the local school board.

Miss Oeschger is a graduate of Allentown high school in 1936, and received a bachelor of science degree from Kutztown state teachers in 1940. That same year she did some post graduate work at Kutztown, the board learned. She will be paid \$1,800 per year including the \$200 cost-of-living payment from the state.

### Two Resignations

Miss Mumper's resignation was "accepted with regret" by the school board as was the resignation, handed in at the same time, of Mrs. Frederick Tilberg, Gettysburg R. D., as girls' physical education instructor, a post she has held since 1931.

Military leaves of absence were granted George S. Forney, Richard Folkenroth and Donald Ullrich, all teachers in the Gettysburg schools who were called into service during the last month.

### To Promote Grade Teachers

Replacement of the teachers will be difficult, the board agreed, after hearing reports from Superintendent Lloyd C. Keefe that as to lack of teachers at the present time. A series of promotions of grade school teachers and the possible appointment of one additional grade school teacher will take care of everything except the posts of boys' and girls' physical education instructors, Mr. Keefe said.

What status the school will enjoy in the sports world next year was not decided. "The state requires physical education training," Mr. Keefe said, "but if you can't obtain teachers how can you give the courses?"

Every attempt will be made to find a replacement for Coach Forney, Keefe said, but he said he was unable to find available only two men's physical educationists.

## USWV To Meet Here In 1944

There is a little ray of sunshine and hope for some new business for Gettysburg next year, despite the war, with the announcement from Butler today that the United Spanish War Veterans will hold their annual convention in Gettysburg in 1944.

Robert E. Tipton, member of the local post and a delegate to this year's convention at Butler, today announced that the convention had voted to accept Gettysburg's invitation to meet here next year.

This will be the third time the Pennsylvania department held its convention here. Two years ago they assembled in Gettysburg for what delegates described as "the best convention we have had in years." Several years prior to that the USWV also convened here.

Members of the local post take an active part in departmental activities and the three invitations they extended to the state convention to meet here have been accepted.

Local merchants have always expressed their appreciation of the conduct of the USWV conventions here and delegates have been loud in their praise of the hospitality and welcome they received in this community.

## Gasoline Shortage Acute In County; No Sign Of Relief

The supply of gasoline in Gettysburg and Adams county has reached a serious stage with many farmers reported "completely" out of gas and unable to take care of their many important chores and gasoline filling stations either "out of gas" or having such a limited supply that they are compelled to ration it in small portions to their regular customers.

County gasoline distributors reported today that their supply has dwindled to such an extent that they, too, are compelled to ration it in small portions to their customers.

"We are faced with the most serious problem we have ever experienced," one distributor said. "We only have a very limited supply on hand now and we expect to be out of gas within a day or two and we do not expect to get any more for at least ten days."

One distributor said that he is

## She Hitched Her Wagon To A "Star"

Six girls of the sixth grade in the Biglerville schools, planning a picnic at the Arendtsville Union park for Tuesday were not daunted by the present driving restrictions. Joan Enck hitched her horse "Star" to an old family spring wagon and the girls rode merrily along to the park, a distance of four miles, had their picnic and returned home by a different route in order to make the most of the trip.

Joan is planning to use her horse and wagon for taxi service this summer. Other girls in the group were Lois Jane Warren, Margaret Yost, Carolyn Taylor, Doris Sillik and Audrey Heller.

## LOCAL SEABEE SEES ACTION IN PACIFIC AREA

Home on a brief furlough after 10 months' duty with the Seabees in the Pacific war theatre, Seaman First Class John E. "Jack" Berger, son of Mr. and Mrs. Clyde D. Berger, Carlisle street, left Gettysburg Tuesday evening for San Diego, California, where he will be assigned to a college training detachment for a course which he hopes will lead to a commission as ensign in the Navy.

Jack is proud of the Seabees and has highest praise for the Marines with whom the Seabees work constantly on their construction assignments.

Berger can say little about his period of service in the Pacific war theatre which brought him two service citations but he did admit he was on the scene for some of the "biggest engagements of the last year in that part of the world. He served in the Solomons area for a part of the time and witnessed more than one battle with the Japs."

### In 13 Air Raids

He recalls one island on which the Seabees were busy constructing airfield facilities where there were 13 air raids in two weeks—all of them at night. "And they weren't high altitude attacks, either," Berger said. "The planes came in low and strafed us with machine gun fire." Z-shaped foxholes accommodating three men each were the only air raid shelters available. Berger came through without a scratch.

The only aerial dogfight he witnessed was between a Marine fighter plane and a Jap Zero. With his ammunition exhausted, the Marine flyer swooped in low over his home air port with the Jap close on his tail with guns blazing. The Marine flyer led the Zero over a section studded with 50 calibre machine guns that opened fire and brought the Zero to the ground in flames. The pilot was thrown clear but was killed. He was buried along the runway. The Marine pilot landed his plane safely.

Littlestown	5,343
McSherrytown	200
New Oxford	675
York Springs	375

## FINAL TRIBUTE FOR N. D. HOKE

Funeral services were held at the Bender funeral home this morning at 10:30 o'clock for Norman D. Hoke, 58, traffic director of the Chrysler corporation, who died from a heart attack at his summer home at Portage Lake, Michigan, last Saturday afternoon. The Rev. Howard Schley Fox officiated. Interment in Evergreen cemetery.

Scores of floral tributes were sent by relatives, friends and business associates.

The honorary pallbearers were Howard F. Snure, president of the American Car Loading corporation, Detroit; J. Harold Becker, assistant general freight agent for the Michigan Central railroad, Detroit; James W. Hill, vice president of the Rock Island railroad; Dr. Howard Grant, Detroit, and N. J. Brennan, traffic manager of the Chrysler corporation, Detroit.

Active pallbearers were Radford D. Lippy, George Martin, Maurice Stansbury, Arthur E. Hutchison, George Raffensperger and Charles Raffensperger.

## MOOSE WOMEN PICK OFFICERS

Mrs. Enola Evans was elected senior regent of the Gettysburg chapter 182, Women of the Moose, at a regular meeting Tuesday evening. Mrs. Virginia Lauver, retiring senior regent, presided.

Other officers named were: Graduate regent, Mrs. Lauver; junior regent, Mrs. Ruth M. Lee; chaplain, Mrs. Anna Goodermuth; recorder, Mrs. Marie McGlaughlin, and treasurer, Miss Marion Cluck. Tellers for the election were Mrs. Mary Miller, Mrs. Edna Culver and Mrs. Jennie Boyd.

The installation of the officers will be held at the next meeting, Tuesday evening, June 22.

Reports of the following chairmen were heard: Membership, Mrs. Jennie Riggeal; Hospital Guild, Mrs. Anna Trimmer; publicity, Mrs. Irene Caskey; Child Care, Mrs. Ada Smith; War Relief, Mrs. Rose Anzengruber, and Ritual, Mrs. Bessie Smith. Mrs. Anzengruber reported the sale of two \$25 war bonds and \$143.35 in war stamps as well as the collection of a quantity of salvage and furs.

A "sponsor parade" was held at the close of the meeting with Mrs. Anna Pittman, Mooseheart chairman, in charge. She presented gifts to Mrs. Miller and Mrs. McGlaughlin for securing the most new members since the chapter was organized.

### ARRIVES IN ENGLAND

Mrs. Virginia Felix, Gettysburg R. 2, has received word of the arrival of her son, Pvt. John C. Felix, in England.

By JOSEPH MORTON

An Advanced Allied Base in North Africa, June 16 (AP)—Huge Allied air forces, taking up after a two-day rest the task of destroying enemy air power in the Mediterranean, covered five airfields and other military targets in Sicily with hundreds of tons of bombs in a round-the-clock offensive begun Monday night and continued through yesterday.

The enemy lost 16 planes in combat, compared with seven for the Allies.

### Tattoo Of Destruction

A large number of the RAF's Wellingtons, which regularly pack blockbusters in their bomb bays, Flying Fortresses, Marauders and Mitchells, escorted by flying triggermen of the Warhawks and Lightnings played a tattoo of destruction on the airports of Sciacca, Bocca Di Falco near Palermo, Castelvetrano, Borizzo and Milo and two radio stations near Marsala.

In dogfights which attended the fierce rushes of the Allied air forces, 11 planes of the enemy were shot down and at least 12 more damaged in the air, and scores were damaged on the ground. Six of those shot down were Messerschmitt 109s.

Four more enemy aircraft were shot down by coastal command beau-fighters in a sweep over the Mediterranean Monday night.

## POS OF A TOPS WAR BOND QUOTA

War bond purchases by members of the Patriotic Order Sons of America in Adams county during the Second War Loan Drive in April totaled \$5,531.25, officers here have been advised, placing the county 13th in the state and helping to pay for the heavy bomber "Sons of America" which was purchased with POS of A bond money from all sections of the state.

The lodge in Pennsylvania went over the top in their "Buy a Heavy Bomber" drive for \$300,000 in April. A congratulatory letter from Charles B. Helms, state POS of A secretary and member of Pennsylvania's War Savings committee, has been received by officers of participating lodges in Adams county.

The official tabulation shows that members of the Gettysburg lodge bought \$5,718.75 in war bonds; New Oxford, \$2,118.75, and Littlestown, \$693.75. The total for the state was \$376,246.25.

The Adams county camps had been assigned a \$5,000 quota and topped it by \$3,331.25.

J. E. Snyder, Gettysburg, district president, has received a copy of a letter from Benjamin Ludlow, Pennsylvania State Administrator for the War Savings Staff of the U. S. Treasury department, in which that official offered his congratulations and thanks to the members of the patriotic order for their successful campaign.

Comparing Tuesday's operations with those against Pantelleria, Staff Sgt. F. J. O'Neill of Philadelphia said "the Pantelleria business was duck soup compared with the new target."

## MARTIN LAUDS LOCAL PUPILS

High praise was given the Gettysburg school children for their appearance in the Memorial Day parade in a letter sent by Governor Edward Martin to Superintendent Lloyd C. Keefe.

The letter was read by Mr. Keefe at a meeting of the school board Tuesday evening at the high school.

"The parade and strewing of flowers by the children of the Gettysburg schools on Memorial Day were most impressive," the Governor wrote.

"I sincerely trust that this fine old custom may be continued for years in the future."

"It is too bad that more Americans cannot have the privilege of seeing this fine ceremony."

## Man Arrested For Surety Of Peace

G. A. Shinham, near Fairfield, is free under \$500 cash bail while Justice of the Peace John H. Basehor deliberates his decision in a case in which Shinham is charged with surety of the peace by Harvey P. Jones, Marion, Montgomery county, identified as the owner of Elevation orchards, near Fairfield, where Shinham has been tenant.

Shinham was arrested Tuesday afternoon by Chief of Police Glenn Guise and was given a hearing before the local justice at 4:30 p. m. The justice has reserved his decision for one week. Shinham is charged with having made threats against Jones and Harold Carson, a former tenant.

Just arrived! Unrationed play shoes, Anna Elzer Specialty Shop, Carlisle street.

## MEDAL WINNER IS WOUNDED

Clair Wrights, son of Mr. and Mrs. Claude Wrights, Locust street, East Berlin, has been wounded in action in New Guinea, according to a telegram received by his parents from the War department.

Several weeks ago, the young man, a gunner on a bombing plane, was given the Distinguished Flying cross for his part in spotting a Japanese convoy in Pacific waters.

Mr. and Mrs. Wrights received word that their son had been wounded a few hours before their eldest son, Lavere, arrived home from Hawaii for his first visit since he entered the Army more than three and one-half years ago.

Earl Wrights, brother of Clair and Lavere, who was inducted into the service some months ago, is now stationed in Hawaii.

Name Secretaries

The practice of some townspeople of riding horses on the school property was deplored, with the board pointing out that the hoofs of the horses cut deeply into the sod and prevent proper cutting of the grass of the school lawns. No action was taken by the board with the members deciding to wait to see if the practice is continued.

Miss Mary Benner was named as secretary to High School Principal Guile W. Lefever at an increase of salary to \$75 a month while Mrs. Richard Folkenroth was named as secretary to Superintendent Keefe at \$90 a month. The secretarial position in Mr. Keefe's office will include some of the work of the secretary of the school board. It was stated, with Secretary Mahlon P. Hartzell, Sr., gradually giving up his work as secretary at his own request.

As Mr. Hartzell trains Mrs. Folkenroth in the work of board secretary his salary in turn will be turned over to Mrs. Folkenroth, it was decided.

Re-Elect Weikert

J. Herbert Weikert was re-elected tax collector for the board at its annual election and the secretary was instructed to turn the tax duplicate over to Mr. Weikert after settlement in full and after his bond is approved.

The property committee was given power to act on a request by the recreation board for installation of a drinking fountain and wash basin at the playground. Facilities had been available in the lodge at the school grounds, but the recreation group has asked the installation of an outside fountain and basin.

Payment of \$5 a month additional during the period the playground is open was ordered for Janitor Harry Daugherty to pay him for extra duties.

To Stop Flooding

To prevent rain water from washing across the high school lawn from Locust street, the board decided to repair and raise the curbing around the outside of the school lawn and at the same time will ask town council or the Gettysburg National Park service, whichever controls Wainwright avenue, to place a gutter along that avenue.

A \$15 honorarium was ordered given Dr. T. L. Cline for the address given the senior class at commencement.

The monthly financial report showed that the school system entered the present month with a balance of \$23,204.12. Income for the month of May was \$32,409.28 including a balance of \$23,003.04 from the previous month, \$3,147 from 1942 tax, over \$3,300 from the state and over \$2,700 tuition. Disbursements were \$9,205.10 including \$8,003.47 for teachers' salaries.

A balance of \$2,188.27 was reported in the sinking fund after payment of \$1,380 on bonds due in May. President Ralph Z. Oyler presided with all members of the board present.

12 Years' Service

Miss Mummer attended the Philadelphia school of Industrial arts and graduated from Moore Institute, Philadelphia in 1931 just before starting her work as art supervisor in the Gettysburg schools. She organized that department which had not been in existence before she came here. Since starting here she had taken post graduate work at the Berkshire Summer school of Art, Monterey, Massachusetts; Temple University School of Fine Arts, and the Penland school of Handicraft, Penland, North Carolina. For three years she was county chairman of National Art week and assisted in the setting up of art exhibits throughout the county. For some time she taught private classes at a studio on Baltimore street. She was an officer of the Soroptimist club for several years.

Mrs. Tilberg organized the Girls Athletic Association in 1933 and in 1937 arranged for the first of the series of annual Play Day programs with Hanover high school. Last year the Girls Athletic Association had 190 members, the council of the group had 25 members. For the past several years she had been a first aid instructor for the Red Cross at the school. She is a graduate of Shippensburg state teachers' college and took post graduate work at Pennsylvania State College and Columbia University.

New Oxford board panel. All were present as was H. B. Flaherty, consumers' representative for the New Oxford local board.

Mrs. George Reisinger, Biglerville, special clerk for the Gettysburg price panel, and Paul Harbaugh, New Oxford, special clerk for that price panel were present as was Donald P. McPherson, Jr., county rationing chairman. Complaints are to be taken to these two clerks it was announced.

The Gettysburg board will meet each Thursday, with the first session scheduled for June 24. It was announced. The New Oxford board will also meet weekly.

BIRTH ANNOUNCEMENT

Mr. and Mrs. George Kauffman, York Springs R. 2, announce the birth of a daughter at the Warner hospital today.

## Upper Communities

Miss Mary Enck has returned from the Ambler School of Horticulture near Philadelphia where she has been serving as an instructor for several years to spend the summer vacation with her parents, Mr. and Mrs. Warren K. Enck, of Biglerville.

Mrs. Blaine G. Walter, of Biglerville, recently returned from Williamsport where she served on a federal jury.

Mrs. John R. Fidler and nephew, William Warren, of Biglerville, were visitors in Harrisburg Tuesday.

The Youth Fellowship of the Wensville Methodist church will meet Friday evening at 8 o'clock at the home of Donald Wenk.

Dr. and Mrs. Harold Lower, of Waynesboro, spent Sunday with Dr. Lower's mother, Mrs. Elson G. Lower, of Table Rock.

Miss Helen Lower entertained over the week-end Miss Esther A'Hara, of New York city.

Mr. and Mrs. Harry Rouzer, former residents of Guernsey, have gone to Kannapolis, North Carolina, to make their home for some time with their daughter, Mrs. Eugene Pealer, whose husband, PFC Pealer, is stationed at present at Scott Field, Illinois.

The Rev. and Mrs. Earl Ensminger and Miss Emma June Funk, of Guernsey; Miss Kathryn Dentler, of Biglerville, and Miss Ruth Hartman, of Cashtown, are employed at the Army depot at Chambersburg this summer.

Miss Dentler spent the week-end in Waynesboro as the guest of the Rev. and Mrs. A. E. Martin.

Guinn Unger, Donald Nary, Dean Carey and Kenneth Lawver, of Biglerville, and Leroy Routsong, of Benderville, were business visitors in Mechanicsburg Tuesday.

The Upper County Lions club observed Ladies' Night at the community hall in Benderville Tuesday evening. The following officers were installed: President, Leroy Zeigler; first vice president, Sewall E. Kapp; second vice president, Lloyd W. Kleinfelter; third vice president, Raymond Burtner; lion tamer, John Fidler; tail twister, Clyde McCauslin; secretary, Cecil R. Snyder, and treasurer, Edgar Benner.

The group was entertained by Miss Elizabeth Starner who sang several vocal selections. Mrs. O. D. Coble played the piano accompaniments. The remainder of the evening was spent in playing cards.

Mr. and Mrs. Warren K. Enck, Biglerville, were visitors in Harrisburg Tuesday.

## New Bus Strike Cuts Local Buses

Pittsburgh, June 16 (AP)—A walk-out of 325 AFL drivers and mechanics of the Greyhound bus lines ended at midnight last night after paralyzing east-west traffic of the company here and delaying hundreds of travelers for 12 hours.

H. S. Crawford, regional manager of the company, announced the men had agreed to return to work and present their grievances to the company as provided by their contract. He said the trouble grew out of the discharge of a driver who refused to take a run assigned to him.

This is the second bus strike this week which has affected bus schedules through Gettysburg. A week-end strike in Washington cut off service here. The Pittsburgh tie-up Tuesday night affected schedules of two buses into Gettysburg.

## Charge Follows Morning Crash

No one was injured and only about \$15 damage resulted when two cars collided head-on near a state highway work barricade at the Belmont school house on the Lincoln highway west of here this morning about 6:45 o'clock. A charge of reckless driving has been filed before Justice of the Peace Robert P. Snyder against Clarence H. Knotts, York, one of the drivers involved, by the state police.

An investigation showed Hazel P. Fissel, Orrtanna, was driving east and had started to pass the barricade when Knott's westbound car hit her machine.

LIGHTNING STRIKES BARN

Little damage was done late Tuesday afternoon when lightning struck the barn of Clyde Wilson, Gettysburg R. 3. Mr. Wilson and his son, Bruce, managed to get the fire under control which followed and were aided later by neighbors who formed a bucket brigade and extinguished the flames.

FLYER KILLED

Butler, Pa., June 16 (AP)—Staff Sergeant Leroy D. Donaldson was killed May 14 "while engaged in a mass attack on Axis territory in Europe," his parents, Mr. and Mrs. Elliott Donaldson of Chicora, R. D. 3, were notified yesterday by the War department.

Pasteur's germ theory of disease, established in the 1870's, led to identification of the causes of many major ills.

## Arendtsville

Mr. and Mrs. Edgar C. McDannell and son, Harry, were in Shippensburg on Saturday evening to attend the wedding of Miss Betty Lemaster and Glenn Miller of York Springs.

Arthur L. Slaybaugh, who has completed the year's work as supervising principal of the elementary schools of Delaware city, Delaware, has gone to Durham, North Carolina, where he will study during the summer at Duke university.

Mrs. H. E. Bryan accompanied her husband, Lieutenant (JG) Bryan, upon his return to Philadelphia on Monday. They have taken an apartment in Cynwyd for the summer.

Sergeant Russell Kane is spending a seven-day furlough with his parents, Mr. and Mrs. Carl Kane.

The Arendtsville Boy Scouts left on Monday for a few days camping at Camp Conewago. They were accompanied by their scoutmaster, Luther M. Lady.

Mrs. Elizabeth Rice, of Harrisburg and Elizabethtown, recently visited friends here for a few days.

## Council Voids

(Continued From Page 1)

committee who assured him the matter was placed "in our laps to be settled."

Shearer said he learned from Kendeihart and Sterner that a labor crisis was at hand and that the only solution they saw was Tawney's discharge. "I said it's all right with me if you think we have to do that to hold the men," Shearer said he had told the committee. "I found out Saturday the letter had been sent," he added. It was his opinion that the committee was to "patch up" matters, Shearer said.

Burgess Pfeiffer told council he feared that to sustain or override the committee's action would not solve the problem. "You'll have to decide whether or not Mr. Tawney is to be employed," he asserted.

Solicitor's Opinion

Mr. Bullett was called upon for a statement of Tawney's status. He said he had told Mr. Kendeihart council can fire an employee at any time but added that the committee could only lay off and not fire an employee. He said the letter to Mr. Tawney was prepared to show he had been laid off, and that his resignation had been asked. The matter was to be brought before council later, he said. He so informed Mr. Tawney's attorney, he stated.

Councilman Samuel Weikert asked: "If he's not fired what are we here for tonight?"

Mr. Kendeihart said Tawney never has asked a conference with the committee although it developed he had talked individually with the members. Mr. Sterner said he had told Mr. Tawney to come before council and added that Tawney has driven the borough truck against orders and did not carry out other instructions given him.

At that point Mr. Hoffman introduced his resolution and it was seconded by Mr. March. A long discussion followed.

"Taxpayers' Letters

President Oyler pointed out it is council's custom to follow committee recommendations and said that if the highway committee had made a recommendation before firing Tawney, their action probably would have been sustained. He disclosed that he and other members of council had received numerous letters, all anonymous, from "taxpayers" on the case.

Mr. Kendeihart spoke again at length in defense of the committee and warned it would be a mistake for council to repudiate the committee's action. "Tawney was not suspended or fired or laid off," Kendeihart said. "Technically he quit."

President Oyler disclosed he received complaints from citizens about borough employees loafing on the job since Bolen has been in charge.

There was a roll call vote on Hoffman's resolution with Councilmen Sterner, Kendeihart and Weikert voting "no" and Stallsmith, Troxell, March, Hoffman and Shearer voting "yes."

May Quit Council

Kendeihart immediately announced "my usefulness as chairman of the highway committee has expired and I ask to be relieved." He pressed several times for council's action on the resignation and hinted after the meeting he is considering a resignation as a member of council. President Oyler said: "You and the other committees have done a good job for a year and a half, let's keep things going smoothly."

Both Kendeihart and Sterner referred to "pressure that is being brought on council from persons on the outside who don't know all the facts." Several councilmen expressed the opinion that taxpayers' wishes should be considered.

Questions were asked about who authorized Tiber work done by Tawney several years ago and other alleged use of borough hands by the commissioner was questioned.

There was no dissenting vote to the motion to place Mr. Tawney under Winebrenner's supervision and council adjourned.

## BREWSTER PUTS NEW LIFE INTO PHILLIES TEAM

By SID FEDER

Associated Press Sports Writer

This is a little baseball laugh that wanders around the major and minor leagues like the chocolate streak in a marble cake and winds up with a very red face for Branch Rickey, the old smoothie of the Ivory markets, as well as a shot in the arm for the Phillies.

It's about the Phils' new shortstop, Charley Brewster, who speeds up the infield like high octane gas. And it fits into the diamond picture today because yesterday's astonishing antics, which saw the Phillies and the Athletics each win both ends of a doubleheader on the same afternoon.

Baseball men tell you Brewster is the guy who is making the Phillies run like a 16-cylinder job again, just when it began to look as if they were the same old jalopy. Anyway, they've won five of six starts since he parked his size 12's in the infield. And what makes it particularly funny is that less than seven months ago, the Brooklyn Dodgers owned Georgia Charley.

### Nip Dodgers

Rickey practically gave him away—and now the Bums need a short-felder like a hitch-hiker needs his thumb. Just ask limping lippy Durocher, who's had to creak around there himself the last few days. It was so bad yesterday, in fact, that Ernie Lombardi, baseball's original gluefoot, even beat out a hit to short, as the New York Giants jolted the fading Flatbushers, 6-5. This setback sank the Brooklyn three full games out of first place in the National league, since the St. Louis Cardinals belted the Cincinnati Reds 3-1 on Harry Campbell's two-hit hurling.

The Phils got Brewster, along with Coaker Triplett, in the three-way deal that was supposed to make a "chump" out of owner Bill Cox. Up to then Charley had been moving around so fast his laundry didn't have a chance to catch up with him.

A few weeks ago, Cox traded Danny Litwiler, who was doing the Phils no good, and Earl Naylor to the Cards for Triplett. Buster Adams and Dain Clay. The Reds, full up with shortstops and always looking for a fly-chaser, sent Brewster to the Phils for Clay. He's made just one error in six games and has zipped up the infield until you'd hardly recognize it. And Triplett has earned his coffee and cakes with two homers in the same half dozen games. One of them, hooked up with a triple, gave the Phils a 6-4 decision over Boston in their opener yesterday. Ronny Northey hit for the jackpot once in each game and the Phils took the nightcap 2-1 which boosted them into fifth place.

### Flores Wins 8th

Meantime the A's socked the Red Sox 7-4 and 4-2, with Dick Siebert sending in four runs in the opener and Jesse Flores flipping his eighth win of the year in the afterpiece.

The Yankees went four full games out in front in the American league by whipping Washington 9-5 with a seven-run spree in the eighth frame of a night game. In the other after-dark outing—Detroit and Cleveland were rained out—the St. Louis Browns belted the Chicago White Sox 5-2 as the American league batting leader, Vern Stephens, collected a homer and a single. Incidentally, the National league hitting race was taken over by Harry Walker of the Cards, who connected safely in his 22nd straight game.

Truett Sewell served up a steady nine-hitter to give the Pittsburgh Pirates a 4-2 decision over the Chicago Cubs.

## SPORTS ROUNDUP

By HUGH FULLERTON, JR.

New York, June 16 (AP)—A race that might have been one of the super-specials of the winter indoor track season is likely to pass almost unnoticed Saturday. . . . It's a 1,500-meter tussle between Parson Gil Dods and Dartmouth's Don Burnham, who ran in all the important indoor miles. . . . It was scheduled for Saturday, along with the junior championships, because Dods won't run on Sunday and the AAU wanted to provide some opposition in case Gunder Haegg chose to run the 1,500. . . . Mel Ott has been picked as the No. 1 father of the year in sports by the National Father's Day committee. . . . From the Giants' place in the standings, we'd guess they're working on the idea that father always is in the doghouse.

### TODAY'S GUEST STAR

Carl Bell, Fort Smith (Ark.) Southwest American: "As the days go by without definite word from the Brooklyn front office, we're wondering if the Dodgers' proposed baseball school here this summer isn't going to turn out to be a Bum deal."

### ONE-MINUTE SPORTS PAGE

Hugh Fontaine, Brookmeade stable trainer, has transformed the flower beds at Belmont Park into a vegetable garden—with a horseshoe of cabbages for good luck. . . . According to Greg Rice, Gunder Haegg's system of training in the woods may be all right for anyone who has "the European ability to punish himself," but American boys who try the same thing are likely to become interested in the scenery and forget to bear down. . . . Carl Voyles, William and Mary grid coach, favors trying to play football as long as he can keep a team together, but he says he definitely won't play any high schools. . . . Carl remembers one Virginia college team that took on a prep outfit during World War one and still is trying to live down the licking it received.

### WEEK'S WORST GAG

From George Manoukian, Hamden, Conn.: "The Boston Red Sox have a new twist to that oft-used baseball expression—that is, 'swinging like a Barna-Doerr.'"

### WAS HE WORRIED?

Bill Wallace, Rice Institute track coach, tells this one about Bob Porter, southwest conference mile champion who'll run here Saturday. . . . Bob got his first taste of big time competition in the NCAA meet last week, took quite a pushing around from the big field on the turns and finished out of the picture. . . . After the race Porter remarked: "Coach, I'm glad that's over. Now maybe I can get some sleep."

Baseball fans at the Norfolk Naval Training Station figure that Scooter Rizzuto must have learned something from the Cardinals last fall. In one game recently, Scooter stole two bases, scored from second once on an infield out and stretched a single into a double for the winning run. His only speed rival on the team is Jeff Cross, former Cardinal farmhand, who made it from first to third on a bunt in the same game. . . . Pvt. Artie Dorrell, former welterweight fisticuff, has refused roadwork at the University of Arkansas—hoping to place in a squadron cross country race Saturday.

Three years ago, Shelby Buck, who had played end for Texas U., walked up to Vic Emanuel's desk in the Houston post office and announced he wanted to enter the boxing business. . . . "I want to become a main event," he explained. . . . He never got far in the ring, so he went to work in the oil fields then joined the RCA and later transferred to the American Air Force. . . . Last week word was received that Buck, a pilot in England, had been killed in action. . . . Said Emanuel: "Shelby died a main eventer."

## PODGAJNY GOES WITH PIRATES

By TED MEIER

Philadelphia, June 16 (AP)—Bespoken Johnny Podgajny, who likes nothing better than pitching against the Chicago Cubs, leaves the Phillies today for the Pittsburgh Pirates—who meet Chicago tonight.

The even-up exchange of the 22-year-old righthander from Chester, Pa., for 29-year-old Lloyd Arthur Dietz, who has won none and lost three for Pittsburgh this season, was announced a few hours before the trading deadline last midnight. Dietz also pitches right handed.

"I hate to see Podgajny go," declared Manager Bucky Harris, "but I figure Dietz is a very good relief pitcher and that's what we need." The exchange came as the Phillies, rebuilt in a series of previous transactions by new owner Bill Cox, apparently were resuming their campaign to shake off the dust of the second division in the National league.

**Won Ten Against Cubs**  
Podgajny in his three years with the perennial eighth-placers won 20 games and lost 33. Ten of his triumphs, including one that snapped the club's six-game losing streak this year, were against Chicago.

His standout performance in the current campaign was a 10-inning five-hit decision over the Brooklyn Dodgers.

Dietz, a native of Beaumont, Tex., has allowed 12 hits and four walks while striking out four in the 8 1-3

## Chapman Holds Batting Lead

(By The Associated Press)

Jerry Navrocki, Binghamton first baseman, got two hits at Springfield last night to move into second place among the Eastern league's six top hitters with an average of .350.

He dropped Barney Lutz, Elmira, to third, but still wasn't within shouting distance of Scranton's Ken Chapman, who heads the list with .391. The others, in order, are Tryon, Wilkes-Barre, Nowak, Elmira, and Genovese, Scranton.

Navrocki helped his mates to a 5-2 win over Springfield.

Tommy Neill, Laurel second baseman, doubled off the right field fence at Hartford in the ninth inning to nip Elmira 1-0.

Utica made a game try in the ninth inning, but lost to Scranton 5-4.

The Wilkes-Barre Barons scored their fifth consecutive win over Albany, taking a 5-2 decision.

## SPORT SHORTS

New York, June 16 (AP)—Maybe the managerial woes of the lowly New York Giants weigh heavily upon Mel Ott. He was tossed out of the baseball game with Brooklyn yesterday for disputing a third strike, the second time he has been ejected this season.

In his 15 previous seasons as a player, Ott was banished only once.

Chicago, June 16 (AP)—The Chicago White Sox cooked up a bit of extra entertainment today for their war "benefit" contest June 30 with the Washington Senators.

Prior to the "varsity" game under the Comiskey park lights at 8:45 p. m. (CWT), picked players from the White Sox and Senator squads will form an all-star team and play the powerful Great Lakes Naval Training Station nine, coached by Lt. Gordon (Mickey) Cochrane, former Detroit Tigers manager.

# Little things that become Big Things

THE U. S. ARMY Ordnance Department, early in 1942, asked one of our executives if we had a factory near a good supply of water, of sufficient size to make small calibre ammunition at the rate of many millions every twenty-four hours. We had such a factory on the Ohio River with enough feet of floor space.

"FROM CARS TO BULLETS FOR TOMMY GUNS, PISTOLS, REVOLVERS"

It was well placed near additional unused land and far enough from the city to allow the storage of powder and the loading and testing of ammunition.

The work of preparation was started immediately. The automobile machinery in the plant, which could not be used, was dismantled and put elsewhere. It was replaced by new and different equipment. A specialized laboratory was installed and staffed with engineers, metallurgists, and technicians drawn from our

widely diversified staff. Production executives and specialists were also selected from our own personnel. While the factory was being prepared for production, the Frankford arsenal

assisted the training of these production specialists who, in turn, were to train the workers and supervise the operation of the many departments of the plant.

The first finished ammunition produced in this newly organized plant went on test in May, 1942. The cartridge cases were then made of brass. Brass is an extremely vital war material. Could steel be used instead? Could steel be worked over the machinery and tools that were provided for the use of brass? Could the steel be treated to withstand the corrosion

of a long sea voyage and to resist successfully the humidity of the tropics and the sub-zero temperatures of the Arctic? The U. S. Army Ordnance Department—and our own engineers, metallurgists and technicians believed it could. More engineering talent—this time chemists—were added to the laboratory staff and the larger and more complete Chrysler Corporation's laboratories, in Detroit, were also directed to the solution of this problem.

The first of the new steel casings were made in the month of August, 1942. They were pretty good. Then began severe testing—spraying with wet salt air, burying in salty mud marshes washed by the tide—storing in hot damp rooms and open exposure to the

weather,—plating with lacquer, copper, cadmium, nickel, chrome, zinc, silver, lead—dipping in dichromate, sealing with plastics. A vast cycle of experiments were tried and tested and the results compared. From all this effort

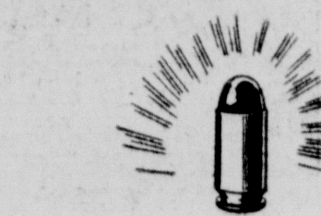

"THOUSANDS PER MINUTE"

came a standardized product made of steel, and approved for use on all the battle fronts.

The making of this ammunition is really the art of producing many pieces rapidly—many thousands per minute, every day, 6 days a week. Ninety-nine operations are performed to take each piece of ammunition from the lead, steel and powder stage to the formed, loaded, tested and packed, finished article—ready to shoot,—with every piece perfect in shape, finish, and firing efficiency.

We have made our first billion of this steel ammunition. Not that this is a top record for ammunition making but, to us, it is a milestone passed on the road to Victory. We will pass the second and third billion with much less emotion but we really got a thrill out of joining the ranks of the important producers of ammunition.

With this change to steel we release, with every billion rounds, thousands of tons of

"A LITTLE THING BECAME BIG"

brass. This brass can now be used in war production where no other substitute is possible.

A finished round of ammunition weighs only a few ounces. Little things often do become really big and important.

## Just Folks

By Edgar A. Guest

**CONFLICT**  
They've put their games aside;  
The ball they loved to throw,  
The batsman's thrill of pride,  
The fun it was to row.

The lettered caps they wore  
Are changed for hats of steel.  
All that was play before  
Today is conflict real.

What was a goal to make  
Or score by figures told,  
Now is a trench to take,  
Now is a town to hold.

What was a blow that stuns,  
Once the mere loss of breath,  
There where the battle runs  
Now may be certain death!

## Today's Talk

By George Matthew Adams

### ALL SHUT UP!

Is there anything more depressing  
than to see a lovely home, with a  
beautiful garden about it, and with  
shrubby all about, all closed up?  
What a contrast to the home with  
the shades up, the sun streaming  
into its interior, and children play-  
ing in the yard!

Likewise there are people who  
travel through life giving the ap-  
pearance of being all shut up—no  
one at home, interests wilted or  
dead, and all ambition long buried.  
That marvelous institution of the  
mind—the will—banished forever.

Unless we can share the beauty  
and the understanding that we in-  
herit and acquire, it's like going  
through life with all that we are—  
shut up. No one is benefitted, least  
of all, we who have, but who do  
not give out what we have.

How many of us go through days  
and days, concealing knowledge and  
information that might be the  
means of opening up a new world  
to someone. But we keep all shut  
up, as though it all belonged to us  
alone. Nothing belongs to us alone  
that has potential value for others.  
It is our business to give out, to co-  
operate in making this a better  
world. That is what is behind this  
idea of a free, democratic world in  
which all share—as well as sharing  
with all others.

I like the church that keeps its  
doors open every day. It looks too  
inefficient and useless all closed up,  
except for one day of the week.  
People go daily to restaurants to  
feed their bodies. They should al-  
ways have a church to go to for  
their spiritual refreshment, when  
hungered in heart. It is heartening  
to know that so many churches have  
for long kept their doors open daily.

We never know what a person  
keeps in his mind until he begins  
to talk. And if he keeps good  
thoughts, sound ideas, and accumu-  
lated wisdom there, it does him no  
good to keep it all shut up. The  
doors of people's minds should al-  
ways be open, the window shades  
up to let in the light from the out-  
side world, and a welcome sign over  
the front door to invite new ideas  
and information, as well as useful  
mental contacts.

Tomorrow Mr. Adams will talk on  
the subject: "Comfort."

### TWENTY-FIVE YEARS AGO

Are Married at Home Wedding:  
The home of Mr. and Mrs. D. A.  
March, East Berlin, was the scene  
of a very pretty wedding Friday af-  
ternoon at half past one when their  
eldest daughter, Miss Anna E.  
March, was married to Sergeant  
Major Charles C. Culp, a son of  
Mr. and Mrs. Reuben H. Culp, Get-  
tysburg.

The double ring ceremony was  
performed by the bride's pastor, the  
Rev. F. C. Sternat, of Abbotstown.  
Last July Mr. Culp enlisted in the  
Aviation Section of the Signal corps.  
He is now stationed at the School of  
Military Aeronautics, Massachusetts  
Institute of Technology, Cambridge,  
Massachusetts.

The young couple will reside for  
the present at Cambridge.

**Beard-Sieber Home Wedding:** At  
a very pretty wedding at the home  
of the bride, Miss Jeanne V. Sieber,  
of West Middle street, and Clinton  
W. Beard, of Niagara Falls, were  
married at 8 o'clock Wednesday eve-  
ning. The ceremony was performed  
by the bride's father, Dr. L. L.  
Sieber.

An informal reception followed  
the ceremony. After a honeymoon  
trip they will go to Niagara Falls  
where they will make their future  
home.

**Troops Across Now 700,000:** Wash-  
ington, June 11—More than 700,000  
American soldiers have gone over-  
seas to carry back to France the en-  
couragement and assistance which  
Lafayette and Rochambeau brought  
to America. Secretary Baker told  
the French Alpine Chasseurs in bid-  
ding them farewell here yesterday  
at the base of the Washington Monu-  
ment.

The War Secretary's last an-  
nouncement some weeks ago con-  
cerning the size of the American  
forces abroad was that 500,000 men  
had sailed for the battlefront.

**Dimming the Lights:** New York,  
June 12—Dimming New York city's  
lights will be continued definitely,  
said Police Commissioner Enright in  
announcing that the War Depart-  
ment approved of the precaution  
against a possible air raid.

**Many Licenses:** Burgess Eicholtz  
has issued up to the present time  
one hundred and four licenses for  
jitneys, taxicabs, touring cars, trucks  
and motorbuses. As the mini-  
mum for a jitney is \$25 it will be  
seen that the revenue has already  
mounted well toward the \$3,000 fig-  
ure, and more is in sight.

**Help Supply the Demand for**  
French and Spanish teachers. En-  
roll for summer school course Mon-  
day forenoon, Glatfelter Hall.

**Eyer-Steele:** A very pretty wed-  
ding took place in the Episcopal  
church at Blue Ridge Summit, Tues-  
day afternoon, when Lieut. Edgar J.  
Eyer, of Thurmont, and Miss Grace  
G. Steele, of Baltimore, were mar-  
ried by the Rev. Mr. Cook.

**Again Restrict Sugar Purchases:**  
Dr. E. H. Markley, county food ad-  
ministrator, announced this morn-  
ing that as a direct result of the  
submarine sinkings off the Atlantic  
coast during the past two weeks,  
it would be necessary to invoke once  
more the sugar regulations which  
restrict purchases to two and five  
pounds.

**Kitchen Shower:** A kitchen show-  
er was given for Mrs. Paul G. Mun-  
dorff on Friday evening, by the  
Otterbein Guild of the United  
Brethren church of which she is a  
member. Those present were Mrs.  
W. R. Glen, Misses Bertha Swisher,  
Beulah Keckler, Ada Frazer, Bertha  
Frazer, Dorothy Crouse, Mildred  
Gilbert, Julia Peters, Helen Geisel-  
man, Cora Trostle, Ruth Heaney,  
Laura Lady, Helen Heaney, Sergeant  
Trickle, Mr. and Mrs. Paul G. Mun-  
dorff, Mr. and Mrs. George W. G.  
Heagy.

**Many Horses:** A list of seventeen  
horses has been secured for the  
matinee of the Great Conewago  
Trotting association to be held Sat-  
urday at Hunterstown for the bene-  
fit of the Red Cross.

The following compose the list:  
Eddie C. F. M. Smith; Rubrican,  
Jr. Oyler and Spangler; Joe Boy,  
George Millhimes; Mountain Boy,  
Abraham Meals; Mt. Airy, Luther  
Decker; Alice M., Russell Mathews;  
Marie Hale, Roy Zinn; Black Hall,  
James Millhimes; Virgie M. Edward  
Millhimes; Brandiant Hale, Galt  
Weaver; Dick, J. A. Eckert; Wood-  
row, Neely Taughinbaugh; Abe, F.  
McThomas; Lizzie M. Jesses Mil-  
himes; Asa, Clarence Snyder; Ber-  
tha, W. H. G. Deatrick; Virginia  
Hale, F. H. Deatrick.

Personal: Sergeant and Mrs. Wil-  
liam Allison, of Chambersburg  
street, announce the birth of a  
son on Friday.

Mrs. William H. Burd and chil-  
dren, of Cresson, who have been  
visiting Mr. and Mrs. J. C. Hoke,  
have gone to Atlantic City.

Donald Hake, of Niagara Falls, is  
spending several days at the home  
of his mother, Mrs. Mary Hake,  
West Middle street.

Miss Ruth Wilson and Miss Eliza-  
beth Wilson were guests at the home  
of Mr. and Mrs. E. P. Sachs recently.

# Axis Loses 6 Planes For Each Big Yank Bomber Downed

## ACHIEVEMENTS OF USAF TOLD BY WAR DEPT.

By TOM REEDY

Washington, June 16 (AP)—The  
Axis is losing six planes for every  
American four-engine bomber shot  
down over Europe, the War depart-  
ment says, and this sign of intensi-  
fied air combat placed new emphasis  
today on Prime Minister Churchill's  
remark that bombing Germany out  
of the war was well worth trying.

The stepped-up tempo of the U. S.  
air force, operating out of England,  
prompted the department yesterday  
to the unusual—an announcement  
to its accomplishments in recent  
weeks. It was the first statement  
of this kind issued by the War de-  
partment since the United States  
entered the global conflict.

The statement disclosed:  
1. That U. S. air forces had made  
18 heavy bombardment missions  
against targets within Germany it-  
self, 11 of them since last May 14.

2. U. S. planes based in England  
flew 1,600 sorties (a sortie is a flight  
by one plane) with four-engine  
bombers, in daylight precision at-  
tacks on industrial centers, naval  
bases and war plants.

3. The American forces lost 106  
planes in this all-out campaign but  
shot down 571 German craft, many  
of them no doubt fighters, probably  
destroyed 187 more, and damaged  
231 in combat.

**Aerial Milestones**  
The War department listed these  
milestones in the career of the U. S.  
air command under Major General  
Ira C. Eaker:

Jan. 27—Attacks on Germany  
proper for the first time; hits on  
docks and naval base installations  
at Wilhelmshaven.

Feb. 4—Heavy damage to sub-  
marine base at Emden.

Feb. 26—Hits on entire target area  
of Wilhelmshaven.

March 4—Direct hits on rail yards  
at Hamm.

March 18—Severe damage to seven  
of 15 U-boat hulls on Slipsat  
Vegeasack, only two escaping some  
sort of injury; powerhouse almost  
completely destroyed.

March 22—Destruction of quays,  
railways, docks and supply build-  
ings at Wilhelmshaven.

April 17—Damage to Focke-Wulf  
factory—output of the plant may  
have been completely stopped for a  
period.

**Again at Wilhelmshaven**  
May 14—Damage widespread at  
Kiel, the great naval base; floating  
dock and workshop damage seri-  
ously; direct hit on one U-boat and  
damage to seven others. Hits on  
main railway and general disruption  
of communications.

May 15—Hits on railways at  
Emden; barracks destroyed at  
Helgoland with one lighter down  
at the stern and 15 craters on the  
airfield.

May 19—Shipyards struck, four  
submarine slips damaged, at Flens-  
burg, damage to gas works and  
warehouses.

May 21—Bombs burst on docks  
and construction yards at Wilhelm-  
shaven.

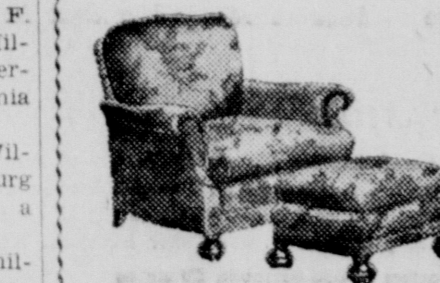

### Heads Country's Largest Presbytery

Philadelphia, June 16 (AP)—Dr.  
Howard Moody Morgan, pastor of  
the Tabernacle Presbyterian church,  
took office today as moderator of  
the new Metropolitan Presbytery of  
Philadelphia, largest in the country.

He was elected yesterday with the  
Rev. John K. Lynn, Bridesburg, stat-  
ed clerk; the Rev. J. Howard Doug-  
lass, Clifton Heights, journal clerk,  
and the Rev. Allen Sutherland,  
Tioga Presbyterian church, treas-  
urer.

## Flashes of Life

WHAT, NO SUBSIDY?

Boston (AP)—The OPA reports  
that its Hartford, Conn., office cat,  
known as "Inflation," has borne  
kittens named Directive, Ques-  
tionnaire, Form 1309 and Rollback.  
"Their father is unknown but is  
tentatively registered as 'Black  
Market,'" said an OPA spokesman.

### PLEASE, FELLAS!

Seattle, Wash. (AP)—Assistant  
Police Chief A. L. Chaffee posted  
this special order at headquarters:  
"Unnecessarily ringing elevator  
signal bells or shorting of the wires  
by placing pins in the buttons will  
not be tolerated at any time. Only  
the regular signals will be given."

### COOPERATION

Seattle, Wash. (AP)—The boys  
of Fire Engine Company No. 11 are  
very grateful to the Fremont dis-  
trict truck unit.

The fire was atop the No. 11 roof  
and they didn't have a ladder long  
enough to reach it.

### TRAVELING AUDITOR

Los Angeles (AP)—Just check-  
ing up on the cash and taking it  
to the boss," explained the man  
who counted \$72 from a cafe cash  
register, tucked it in his pocket  
and departed. "I work here on  
the day shift, you know."

The new night chef didn't know,  
and later telephoned proprietor  
Ernest M. Groves.

Said the boss: "Never heard of  
him! Call the police!"

## ROVING BUYERS THREATEN CORN SHORTAGE SOON

Chicago, June 16 (AP)—Truck  
drivers, roaming the mid-west in an  
unprecedented hunt for corn, are  
buying the yellow grain at higher  
than ceiling prices and selling it  
profitably to farmers who need it to  
feed livestock, members of leading  
grain firms said Tuesday.

That is one reason, they said, why  
not as much corn as is needed is  
coming into marketing terminals,  
threatening, in the words of the  
Corn Industries Research Founda-  
tion, a complete shutdown in the  
corn refining industry within the  
next 30 days.

**Most Important Grain**  
A shut-down in corn refineries  
would affect such industries as tex-  
tile manufacturing, paper making,  
aluminum and steel foundries, brew-  
ing, candy manufacturing and in-  
numerable others which utilize de-  
rivatives of America's most impor-  
tant grain.

The existence of an illegal market  
in corn, grain men said, is common  
knowledge among the trade.

It is practically impossible to en-  
force corn ceilings at every fence  
post in the American grain belt,  
grain men said. The transactions  
are not officially recorded, as they  
are in marketing terminals, and the  
only persons who know about them  
are the buyer and the seller.

### Buried Alive, Miner Dies After Rescue

Shamokin, Pa., June 16 (AP)—  
Buried for six hours under a fall of  
rock and coal in a free-lance mine,  
John Matscoviak, 37, uttered a few  
words and died Monday night as  
rescue crews uncovered his head.

In the crew was a brother, Thomas  
Matscoviak.  
The accident in the home-made  
coal hole occurred at the bottom of  
a 300 foot slope. Joseph Friedman,  
a brother-in-law, working with the  
victim, was buried to the waist but  
worked himself free and spread the  
alarm.

## EAGLES MERGER WITH STEELERS TO BE DECIDED

By DAVE HOFF

Chicago, June 16 (AP)—National  
football league owners, at their  
special meeting here Saturday and  
Sunday, will consider a merger ap-  
plication offered by the Pittsburgh  
Steelers and the Philadelphia Eagles.

Commissioner Elmer Layden ac-  
knowledgeed receipt of the petition  
from the two clubs today, which if  
accepted would reduce the former  
10-club circuit to eight members,  
provided no others drop out this  
week-end. The Cleveland Rams  
bowed out "until Victory" at the  
pro league's April meeting.

Art Rooney, co-owner of the Steel-  
ers, last week suggested such a union  
of the two Pennsylvania members,  
and hinted at the same time that  
the two Chicago teams, the Bears  
and Cardinals, might profit by the  
same move.

Layden said the merger applica-  
tion was signed by Bert Bell, presi-  
dent of the Steelers, and Harry  
Thayer, business manager of the  
Eagles. They proposed:

1. To pool expenses and split profits.
2. To retain Walter Kiesling, Steeler coach, and Earle (Greasy) Neale, Eagle mentor, as co-coaches.
3. To have the team be known as the "Eagles"—with the town identification not specified.
4. To play home games in both

## War Takes Toll Of Fairs In State

Harrisburg, June 16 (AP)—The  
war is taking a heavy toll of Penn-  
sylvania agriculture fairs, Miles  
Horst, secretary of Agriculture re-  
ported Tuesday.

Of the 125 fairs listed with the  
department, only 50 organizations  
have reported they will conduct ex-  
hibits this year.

This compares with 68 last year  
and 88 in 1941.

### CUT BANKING STAFF

Harrisburg, June 16 (AP)—Bank-  
ing Secretary William C. Freeman  
today reported dismissal of 23 em-  
ployees in the department's Build-  
ing and Loan division at Philadel-  
phia at a payroll saving of \$35,000  
to \$40,000 annually.

Pittsburgh and Philadelphia.

Bell and Thayer further proposed  
that the players technically never  
be considered a part of the combine.  
If an Eagle player were traded, say,  
for Sammy Baugh of Washington,  
Baugh would be the property of the  
Philadelphia club upon the merger  
breakup after the war emergency.  
If a Pittsburgh player were sold,  
the Pittsburgh treasury would get  
the money.

To be ironed out would be the  
problem of who eventually would  
get a player purchased outright by  
the combine.

The proposition, Layden said,  
probably will be the first order of  
business Saturday. The owners also  
are expected to approve a 1943 play-  
ing schedule and will draft collegians  
graduating between June and Oc-  
tober.

## SLAUGHTERERS SUSPEND TO END FINANCIAL LOSS

Philadelphia, June 16 (AP)—Con-  
solidated Beef company, one of the  
largest slaughterers in this area,  
suspended operations today, further  
reducing the scanty amounts of  
meat available in butcher shops.

Five other concerns in the same  
building, which have obtained all  
their meat from Consolidated, were  
affected by the action. The six  
have more than 2,500 customers.

A Consolidated spokesman said  
the firm would do no more slaugh-  
tering "until the Office of Price  
Administration regulations are  
changed to permit us to break even."  
We cannot continue to lose  
thousands of dollars a week, as we  
have been forced to do, by the  
'squeeze' between costs and OPA  
ceilings.

The spokesman said the subsidy  
accompanying OPA's recent rollback  
of prices "does not change the situ-  
ation in the slightest."

Packing industry representatives  
said meanwhile that shipments from  
the west were only 10 to 15 per cent  
of the demand, and the Philadelphia  
Hotel association named a commit-  
tee to investigate methods of reduc-  
ing meat consumption.

Hotels and restaurants, which are  
permitted to pay a 20 per cent pre-  
mium, reportedly have been given  
preference over retail stores in the  
allotment of meat.

## U.S. Charges Pair As Black Mart Heads

Philadelphia, June 16 (AP)—The  
government continued Tuesday its  
effort to identify Hyman M. Marder  
and Louis L. Malikson, former  
Philadelphia tire salesmen, as "king  
pins" of an alleged state-wide black  
market in automobile tires.

New witnesses were called as the  
prosecution sought to show in Fed-  
eral court that the men purchased  
approximately 5,000 tires ostensibly  
for legitimate dealers, selling the  
tires illegally to gasoline station op-  
erators and accessories stores as  
well as to individuals.

Howard M. Gingerich of Lebanon,  
Pa., indicted last February along  
with 103 other persons in connection  
with the alleged black market, tes-  
tified yesterday that he paid Marder  
\$19,679 for tires which Marder  
bought for \$11,382.

My best Friends  
were amazed  
... at my

- 1—Promote the flow of  
vital digestive juices  
in the stomach
- 2—Energize your body with  
RICH, RED BLOOD!

THESE two important steps may  
help you overcome the discomforts  
or embarrassment of sour stomach,  
jerky nerves, loss of appetite, under-  
weight, digestive complaints, weak-  
ness!

A person who is operating on only a  
70 to 75% healthy blood volume or a  
stomach digestive capacity of only 50  
to 60% normal is severely handicapped.  
So with ample stomach digestive juices  
PLUS rich, red-blood you should enjoy  
that sense of well being which denotes  
physical fitness... mental alertness!  
If you are subject to poor digestion or  
suspect deficient red-blood as the cause  
of your trouble, yet have no organic  
complication or focal infection, SSS  
Tonic may be just what you need as it  
is especially designed to promote the  
flow of vital digestive juices in the  
stomach and to build-up blood strength  
when deficient.

**Build Sturdy Health**  
so that the Doctors may better  
serve our Fighting Forces  
Thousands and thousands of users have  
testified to the benefits SSS Tonic has  
brought to them and scientific research  
shows that it gets results—that's why so  
many say "SSS Tonic builds sturdy health  
—makes you feel like yourself again." At  
drug stores in 10 and 20 oz. sizes. U.S.S.S. Co.

## Will you spend your vacation on the Food Front?

This is YOUR war. More yours than any-  
body's, because the future belongs to you.  
What you do THIS SUMMER on the  
FOOD FRONT will help to decide what  
that future will be. You—the youth of  
America—can make it the kind of a world  
YOU want to live in.

The crops MUST be harvested and THEY  
MUST BE CANNED. For canned foods

are the fighting foods, the foods that go to  
war. Without them our American soldiers  
can not fight their way to victory...

## Exonerated In Fatal Shooting

shooting June 6 of his playmate Lewis Hutchinson, Jr., 11, of Ardmore.

Young Hutchinson was killed by a 22 caliber bullet from a rifle in the hands of the Roosevelt boy.

Coroner Winslow J. Rushong said evidence and statements by young Roosevelt showed the shooting was

The Roosevelt boy was similarly exonerated by Delaware county juvenile court last Friday. The Montgomery county inquest was called because young Hutchinson, although shot in Delaware county died in a Montgomery county hospital.

**Governor Orders Economy In State**

Harrisburg, June 16 (AP)—State department heads are under instructions from Governor Martin "to streamline in order to save in personnel and to be more economical in operations."

The Chief Executive told his press conference he could not estimate the possible retrenchment but noted the Highway department has saved 200,000 gallons of gasoline, 1,000 tires and \$107,000 in administrative costs.

The same agency released several hundred employees recently and the Philadelphia Building and Loan division of the Banking department has dismissed 23 employees. The Governor said he would discuss the economy program with department chiefs "at quite frequent intervals."

In another development, Martin declared it was up to John U. Shroyer, Secretary of Highways, to decide if the state should follow Auditor General F. Clair Ross' suggestion that unused tractors be loaned to farmers to help swell food production.
